Apna Ghar Prabhu Praklp Baratpur:

As per the ideology of the Organization every homeless helpless destitute prabhuji is necessarily given admission in the Ashram irrespective of his/her condition. The destitute are never denied due to lack of space or non-availability of resources in the Ashram. Because of this, there are always remains more Prabhuji than capacity in Bharatpur Ashram and hence the expansion of the Ashram by constructing additional 8000 beds capacity homes along with all required necessities and arrangements just 200 meter away from the present Apna Ghar Ashram Bharatpur has been planned and proposed. After construction, Bharatpur Ashram will be the largest residential home for the homeless helpless destitute prabhuji of its category with total residential capacity for 11000 prabhuji..

This is a new approach particularly in mobilizing the network and alliance for helping helpless, homeless and sick persons having no resources. Surprisingly these groups are found everywhere but options for serving them are very limited. In crisis of resources, many helpless persons lost their lives due to lack of resources, help and care. It was not feasible to provide services to every inmate from Bharatpur 'Apna Ghar' Ashram. Therefore to ensure services to every helpless, severe ill person, as per vision of the organization, the Expansion of the services was started by the Organization during 2011-12. TURNING TOWARDS HUMANITARIAN PILGRIM:-

The genesis of concept to serve helpless, orphan was inspired spirits and for fulfilling it very limited activities were initiated. This pretty small initiation of service through Apna Ghar magnificently is turning towards humanitarian hubs. Many of individuals after visiting Apna Ghar and staying couple of days here, inspires with its way of serving and humanity. Large number of people from villages and cities coming to visit Apna Ghar as pilgrimage.

NATION WIDE VOLUNTEERISM:-

In modern age where high majority of population is fascinating to materialistic attributes the increasing numbers of volunteerism for caring humanity and helpless is consisting a big turning of re-synthesis of humanism. And making this in reality Apna Ghar through action based strategy is fortunate enough as numbers of supporters and volunteers have joined. More than 300000 persons have visited and involved themselves in serving the inmates as per their skills and talents directly or indirectly.

Uniqueness of the Organization:-

1. The Organization is working for the last needy person i.e. homeless helpless orphans going towards lingering death.
2. Every such person admits in the Ashram whether the accommodation is available or not. Because the needy outside the Ashram has the first right on the resources of the Ashrams.
3. The services are being executed by directly involving the society. So many volunteers are getting involved in the services for these persons in the Ashrams.
4. The services provided in the Ashrams are as per the need of the inmates living in the Ashram not as per the resources available.
5. No donation is collected from the society directly but a letter to God is placed at the board of the Organization in every Ashram and the demand written on the display board always fulfilled by God through various human beings comes at the Ashram.
6. The Organization has its own system to pick up the helpless orphan destitute person from the spot. Ambulances and team at the Ashrams always ready to attend every call received through any means.
7. To reach every such needy, Samities and Helplines constituted by the Organization at local level are also available in many cities, so that service to that needy can be provided without any delay. These Samities and Helplines are working as referral centres for the needy persons found in their areas.

Organizational Achievements:

1. The main achievement of the Organization is that we are following our vision and mission with our ethics and determination.
2. There are 35 Ashrams having residential capacity for more than 5500 beds are being running and we are in a position to cover up almost major part of Northern India to provide services to these homeless helpless hopeless persons.
3. Apna Ghar Ashram Bharatpur is now become the largest institute of India in its kind, as per number of prabhujis, specifications of services.
4. We have rehabilitated more than 22000 such type of prabhujis in their familis or other way after been cured, in 23 states of India. During admission prabhujis generally are not in a condition to inform about their addresses, even about their name and number of cases the name has been given by the Organization. As per regular treatment and care maximum prabhujis are in the position to inform some details about their families. The family addresses informed by the prabhujis are then searched by the Rehabilitation Cell of the Organization through internet, police and other means. After searching and confirmation about the family, the information of their family member residing in the Ashram is given and through proper verification and legal formalities the prabhujis handed over to their family. In many cases the family not agreed to take them back, such prabhujis get involved in different service activities like kitchen, sewing, office, medical, construction, gate keeper, Assistance in different sections etc. Some prabhujis are never able to inform about themselves, will be remained in the Ashram and get involved in the services.

It is our fundamental duty to provide health, moral values, education and family as per possibility to the children of the Organization. So the children are admitted in the best schools, so that they can get qualitative education and get employment easily when they be adult. The girls who are in marriage age, marriage for those girls arranged by the Organization in well settled families.

5. More than 10 lakh peoples (members, volunteers, donors, helpmates, silent supporters, followers on social media etc.) are attached with the services of the Organization directly or indirectly.
6. The Organization is continually maintaining the quality of services (as mentioned above) with the expansion of Ashrams and continually increasing the number of Prabhujis.
7. Through these services we have developed the faith of the people up to that level that lakhs of people comes every year in the Ashrams acknowledging it as a worship place according to their own faith by so many buses and other vehicles with banner of “Pilgrimage of Apna Ghar”.

OTHER ACTIVITIES:-

Instead of providing services to the homeless helpless persons the Organization is also get involved in natural calamities at national and local level. The Apna Ghar Sewa Samities run by the Organization are providing services at local level such as running water huts, organize blood donation camps, medical camps for needy, distribution of study material to the poor needy students and other such activities.

As you are all aware that the world is facing the pandemic of Corona Virus right now. In India it has entered in the last month of this financial year. The Organization has applied full measures to ensure the safety of our prabhuji residing in all Apna Ghar Ashrams. Under which, complete lockdown has been implemented since 21st March 2020, even before the implementation of lockdown in the country. Under these circumstances and for the safety of prabhuji residing in the Ashrams, the entry of outsider staff, visitors, officials and prabhuji in all Ashrams has been prohibited completely. Ashrams are running with almost 50% staff, who are working 24 hours in the Ashram. In Bharatpur Ashram there are 100 Sewasathi (staff members) providing their services 24X7 against the strength of 220. **The dedication of the staff can be seen with the fact that some of staff members brought their spouse to manage the services of the prabhuji.
